

# The Reprieve- 52" Depth

## Sizes Available- 15', 18', & 24' Round Pool

The Reprieve is an affordable industry standard steel core pool with 10 protective layers to resist rust & corrosion.

The 6" top rails and 4" wide uprights are finished in a baked enamel to provide support and stability. A one piece resin top rail cover finishes off the top ledge area.

The Reprieve also features a wide mouth skimmer for increased circulation and top water skimming to lessen maintenance.

The included liner is a traditional overlap liner for ease of installation.
