The Aruba Stainless is the lowest priced pool you will find anywhere that includes Resin Top Rails, Base Track, Base Plates, and the Lifetime Stainless Steel Panel. The Alloy Core Wall & Uprights provide a mixture of metals that prevents rust and corrosion. Included is our Sure Swim Liner System with your choice of designer patterns!

Stainless Steel Lifetime Circulation Panel Protect Your Investment!

Exclusive to Virginia Leisure in the Hampton Roads market, our Stainless Steel Circulation Panel turns the most troublesome area of an above ground pool (The Red Zone Area) into the strongest part of the pool. The Stainless Steel will never rust through, providing years of No Worry Fun!
